SUBJECT INDEX TO VOLUME 126

Allergy
  to sulfisoxazole and sulfamethoxazole (Shaw & Jacobs), 130
Alveolar hypoventilation
  in Pickwickian syndrome (MacGregor et al), 279
Amino acid ratio
  of infants on milk protein diets (Placko & Graham), 19
Anaphylactic shock (Spear & Kihara), 210
Anemia, microangiopathic hemolytic
  in Weber-Christian disease (Spivak et al), 344
  recovery following removal of huge leiomyoblastoma (Conley et al), 51
Aneurysm, dissecting
  of carotid artery (Burklund, C. W.), 154
Aortic regurgitation
  in gonococcal endocarditis (Voigt et al), 305
Arteriogram
  carotid, in spontaneous dissecting aneurysm (Burklund, C. W.), 154
Atresia, tricuspid
  anatomical variation in (Levy & Rosenquist), 177
Atrial fibrillation
  paroxysmal, treated with a demand pacemaker and digitalis (Voigt, G. C.), 297
Autoimmune hemolytic anemia (AIHA)
  deficiency of red cell glucose-6-phosphate dehydrogenase activity (Moskowitz, R. M.), 139

Blood
  cells, normal and leukemic lysozyme and fibrinogen in (Sternberger et al), 188
  hematologic changes in septicemia (Emerson et al), 69
  oxygen content, measurement by polarographic technique (Sabatier et al), 249

Calcospherites (Lambird & Yardley), 1
Camera, scintillation
  renal transplant imaging (Sziklas et al), 43
Carcinoma
  bronchogenic (Croxatto & Barcat), 121
Carotid arteriograms
  in spontaneous dissecting aneurysm (Burklund, C. W.), 154
Chelates
  ^{113m}In-DTPA ^{99m}Tc-DTPA, ^{169}Yb-DTPA for renal transplant imaging (Sziklas et al), 43
Cholera
  reversal of exotoxin-induced jejunal secretion by cycloheximide (Harper et al), 258
Complement
  with heterophile shock (Spear & Kihara), 210
Copper deficiency
  distribution of serum copper in (Holtzman et al), 34
Cycloheximide
  in reversal of cholera exotoxin-induced jejunal secretion (Harper et al), 258

Depth electrode recordings
  in temporal and frontal lobe epilepsy (Laws, Jr., et al), 146
Desensitization
  followed by Forssman shock (Spear & Kihara), 210
Diazepam (Valium$^{(R)}$)
  in thyrotoxicosis (Greenberg et al), 134
Diets
  milk protein; fasting plasma free amino acids of infants (Graham & Placko), 19
Digitalis
  paroxysmal atrial fibrillation with asystole and syncope: report of case treated with demand pacemaker and digitalis (Voigt, G. C.), 297
Disease
  Weber-Christian, complicated by consumption coagulopathy and microangiopathic hemolytic anemia (Spivak et al), 344
Disinfection
  of skin (drug letter) (White et al), 169
Dissecting aneurysms
  repair of (Burklund, C. W.), 154
Drug letters
  rubella immunization (Carver et al), 119
  skin disinfection (White et al), 169
Drugs
  epidemiology of adverse reactions (Gardner & Cluff), 77
Duodenum
  ulcer of (Cocco & Mendeloff), 61

EEG
  scalp and depth findings in temporal and frontal lobe epilepsy (Laws, Jr., et al), 146

Electrode, depth
recordings in temporal and frontal lobe epilepsy (Laws, Jr., et al), 146
Electron microscopy
in Hamman-Rich syndrome (O'Shea & Yardley), 320
lysozyme and fibrinogen (Sternberger et al), 188
study of muscle pathology in hypokalemic periodic paralysis with hyperthyroidism (Bergman et al), 88, 100
Endocarditis
gonococcal, with severe aortic regurgitation: early valve replacement (Voigt et al), 305
Epidemiology
of adverse drug reactions (Gardner & Cluff), 77
Epilepsy
temporal and frontal lobe (Laws, Jr., et al), 146
Esophagus
abnormal motility (Bennett et al), 217
diffuse spasm; return to normality (Bennett et al), 217

Fibrinogen
electron microscopy (Sternberger et al), 188
Fibrosis
interstitial of lung in case of Hamman-Rich syndrome (O'Shea & Yardley), 320
pulmonary in EM study of Hamman-Rich syndrome (O'Shea & Yardley), 320
Forssman shock
following desensitization (Spear & Kihara), 210

Gastric
irradiation in duodenal ulcer patients (Cocco & Mendeloff), 61
secretory response to maximal histamine stimulation (Cocco & Mendeloff), 61
Gender identity
female (Ehrhardt et al), 237

Hamman-Rich syndrome
in infancy (O'Shea & Yardley), 320
Hepatitis
toxic, following sulfisoxazole and sulfamethoxazole therapy (Shaw & Jacobs), 130
Heterophile shock (Spear & Kihara), 210
Histamine
stimulation during a study of gastric secretory response (Cocco & Mendeloff), 61
Hormones
fetal gonadal, absence of (Ehrhardt et al), 237
Hypokalemic periodic paralysis
with hyperthyroidism
(Bergman et al), 88, 100
(Dunkle et al), 225
Hypoglycemia
respiration during (Epstein, M. H.), 267

Immunization
for rubella (Carver et al), 119
Immunohistochemistry
quantitative electron microscopic determination of lysozyme and fibrinogen (Sternberger et al), 188
Immunouranium technique
quantitative evaluation of lysozyme and fibrinogen (Sternberger et al), 188
Indium - 113^{m}DTPA
renal transplant imaging (Sziklas et al), 43
Infants
fasting plasma free amino acids on milk protein diets (Blacko & Graham), 19
Hamman-Rich syndrome (O'Shea & Yardley), 320
Intestinal secretion
induced by cycloheximide (Harper et al), 258

Jejunum
exotoxin-induced secretion (Harper et al), 258

Kidney transplant imaging (Sziklas et al), 43

Leiomyoblastoma
removal of followed by recovery of microangiopathic hemolytic anemia (Conley et al), 51
Leukemia, monocytic
electron microscopy of lysozyme (Sternberger et al), 188
Lobectomy
frontal, for epilepsy (Laws, Jr., et al), 146
temporal, for epilepsy (Laws, Jr., et al), 146
Lung
lymph node metastasis in bronchogenic carcinoma (Croxatto & Barcat), 121
neoplasms (Croxatto & Barcat), 121
Lymph
lymphatic metastatis study on its role in dissemination (Croxatto & Barcat), 121
nodes in metastatic bronchogenic carcinoma (Croxatto & Barcat), 121
Lysozyme
and fibrinogen in monocytic leukemia (Sternberger et al), 188

Malakoplakia
urinary tract (Lambird & Yardley), 1
Methemoglobinemia
hereditary (Smith et al), 28
Michaelis-Gutman bodies
in urinary tract malakoplakia (Lambird & Yardley), 1
Microangiopathic hemolytic anemia
recovery following removal of huge leiomyoblastoma (Conley et al), 51
Milk protein (Placko & Graham), 19

Monocytes
lysozyme (Sternberger et al), 188
Mononucleosis
infectious, in children (Sigler, A. T.), 312
Muscle pathology
in hypokalemic periodic paralysis with hyperthyroidism (Bergman et al), 88, 100 (Dunkle et al), 225
Myoglobin
family study with attention to redox state (Smith et al), 28

Neoplasms
metastasis (Croxatto & Barcat), 121

Obesity (MacGregor et al), 279

Pacemaker, demand
paroxysmal atrial fibrillation with asystole and syncope (Voigt, G. C.), 297
Paralysis, periodic
hypokalemic (Bergman et al), 88, 100
thyrotoxic (Bergman et al), 88, 100 (Dunkle et al), 225
Pickwickian syndrome
serious complications and sudden death (MacGregor et al), 279
Plasma amino acids (Placko & Graham), 19
Platelets
electron microscopy of fibrinogen (Sternberger et al), 188
Pneumonia
interstitial in Hamman-Rich syndrome (O'Shea & Yardley), 320
viral in Hamman-Rich syndrome in infancy (O'Shea & Yardley), 320
Pneumostatic dilatation
in diffuse esophageal spasm (Bennett et al), 217
Protein
milk diets (Graham et al), 19
Pulmonary
emboli, thrombophlebitis of left spermatic vein with cure by ligation (Delevett & Goodrich), 15
surfactant, failure of near-lethal inhibition of protein synthesis to alter (Holden et al), 337

Quantitative electron immunocytochemical study
in lysozyme and fibrinogen in normal and leukemic blood cells (Sternberger et al), 188

Radiotherapy
for duodenal ulcer (Cocco & Mendeloff), 61
Reactions to drugs
epidemiology of (Gardner & Cluff), 77
Red cell glucose-6-phosphate dehydrogenase activity
autoimmune hemolytic anemia in patient with deficiency of (Moskowitz, R. M.), 139
Reflex
abdominal (Teasdall, R. D.), 276
Respiration
in nervous system (Epstein, M. H.), 267
single neuron (Epstein, M. H.), 267
Respiratory failure
in Pickwickian syndrome (MacGregor et al), 279
Risk of vaccination
complication of smallpox Maryland 1968 (Mellin et al), 160

Seizures
frontal and temporal lobe (Laws, Jr., et al), 146
Septicemia
hematoligic changes (Emerson et al), 69
Serum copper
distribution in copper deficiency (Holtzman et al), 34
Skin disinfection (drug letter) (White et al), 169
Smallpox vaccine
complications of (Mellin et al), 160
Spasm
diffuse esophageal (Bennett et al), 217
Spermatic vein
thrombophlebitis of left (Delevett & Goodrich), 15
Stevens-Johnson syndrome
following treatment with sulfisoxazole and sulfamethoxazole (Shaw & Jacobs), 130
Sulfisoxazole
toxic hepatitis and Stevens-Johnson syndrome (Shaw & Jacobs), 130
Sulfamethoxazole
toxic hepatitis and Stevens-Johnson syndrome (Shaw & Jacobs), 130
Surface tension
failure to alter (Holden et al), 337
Surfactant
pulmonary, failure of near-lethal inhibition of protein synthesis to alter (Holden et al), 337
Sulfonamide
toxic hepatitis and Stevens-Johnson syndrome (Shaw & Jacobs), 130
Surgery
for convulsive disorders (Laws, Jr., et al), 146
Syndrome
Hamman-Rich in infancy (O'Shea & Yardley), 320
Pickwickian, serious complications and sudden death (MacGregor et al), 279

Technique
simplified polarographic in measurement of blood oxygen content (Sabatier et al), 249
Technetium - 99^{m} DTPA
renal transplant imaging (Sziklas et al), 43
Tests
screening for infectious mononucleosis in children (Sigler, A. T.), 312
Thrombophlebitis
left spermatic vein (Delevett & Goodrich), 15
Thyroid
thyrotoxic periodic paralysis, muscle pathology (Bergman et al), 88, 100
(Dunkle et al), 225
thyrotoxicosis, diazepam (Valium$^{(R)}$) in (Greenberg et al), 134
Topics in clinical medicine (TCM)
microangiopathic hemolytic anemia with recovery after removal of a huge leiomyoblastoma (Conley et al), 51
serious complications and sudden death in the Pickwickian syndrome (MacGregor et al), 279
Tricuspid atresia
anatomical variation in (Levy & Rosenquist), 177

Ulcer
duodenal; effects of gastric irradiation (Cocco & Mendeloff), 61
Urinary tract infections
complicated by malakoplakia (Lambird & Yardley), 1

Vaccination complications
smallpox Maryland 1968 (Mellin et al), 160
Virus infection
in infant with Hamman-Rich syndrome (O'Shea & Yardley), 320

Weber-Christian disease
complicated by consumption coagulopathy and microangiopathic hemolytic anemia (Spivak et al), 344

Xanthogranulomatous inflammation (Lambird & Yardley), 1
X-ray findings
dissecting aneurysms (Burklund, C. W.), 154

Ytterbium - 169 DTPA
renal transplant imaging (Sziklas et al), 43
